

HomePlug 200AV

High Speed Power Line Communication

Key Features

- ◆ Easy PnP networking of various devices through the power line at home
- ◆ Fast speeds up to 200 Mbps-Ideal for all Triple Play applications
- ◆ Effect Data Rate Up to 60Mbps Effective Throughput
- ◆ Over 200 meters range. Whether at home or at work - IPTV, VoD, online games, high- speed surfing and VoIP telephony in any room you want
- ◆ QoS - Automatic data prioritization ensures interference - free transmission
- ◆ Powerful 128-bit AES encryption. Guarantees maximum data security
- ◆ Automatically uses up to 30% less power in standby mode

	ATHP-009R	ATHP-010R
Plug Type	US Plug	Europe Plug
Speed	Up to 200Mbps	
Indicator	Power Ethernet(Link/Act) HomePlug AV (Link/ Act)	
Standard	IEEE 802.3x, HomePlug AV, Auto MDI/MDIX	
Protocol	TDMA, CSMA/CA	
Modulation Type	OFDM-1155 carriers, 1024/256*64-QAM, QPSK, BPSK	
Environment Conditions	Operating: 0°C ~ 40°C Storage: -25°C ~ 70°C Humidity: 10 ~ 90%(Non-Condensing)	
I/O Ports	Ethernet RJ45 AC Power plug	
Power Source	100VAC ~ 240VAC 50/60Hz	
Power Consumption	6.5W(MAX.)	
Operating System	Microsoft Windows 98 SE/ME/NT/2000/XP,Vista	
Product Size / Weight	(L)102X(W)72X(H)38mm / 149gm	
	Ethernet Cable RJ45 X1	
Package Include	Installation Guide X1
